PIONEER

John Gray  
Oct- 1969

## SUNRISE SUNSET

Is this the little girl I carried?  
Is this the little boy at play?  
I don't remember growing older,  
When did they?

When did she get to be a beauty?  
When did he grow to be so tall?  
Wasn't it yesterday  
When they were small?

Sunrise, Sunset. Sunrise, Sunset.  
Quickly flow the days.  
Seedlings turn overnight to sunflowers,  
Blossoming even as we gaze.

Sunrise, Sunset. Sunrise, Sunset.  
Swiftly flow the years,  
One season following another,  
Laden with happiness and tears.

# SPORTS

one season .

following another

The sports year of 1968-69 at Simon Kenton saw many successes, failures, and surprises. In autumn the football team was somewhat of a surprise as they posted their best season ever; 8 wins, 2 losses, and 1 tie. The cross country record was 3 wins, 3 losses, and Don Elbert qualified for the state meet

Winter began and the basketball team started with much promise, but their regular season turned out only mediocre, sometimes even disappointingly. The basketball then came alive and ended the season on a happy note as they defeated Dixie for the District Championship. In spring sports, track and baseball had many young members. The track squad finished the season with a fine 8 wins, 1 loss, 1 tie, and the baseball team ended with a respectable 8 wins and 8 losses record

# Bake Sale

The Senior Bake Sale sponsored by the class of 1969 was a huge success. The largest sum ever made was earned this year. It could never have been done without the work of the Seniors and many Senior Sponsors. One of the main attractions at the bake sale were the times that some poor soul got a "pie in the eye". Pictured here are a few highlights of that day in November

Mike Fletcher gives Don Coppage a free sample of one of the cakes

Dave Obel had to stoop over to be reached by Becky Barnett

And whose hand is this reaching for a *chocolate* cupcake?

# Senior Class Boat Ride

The sponsors for the boat ride were Mr. Gray, Mr. and Mrs. Kimmelman, Mr. and Mrs. Johnson, and Mr. and Mrs. Powers.

The Johnson Party Boat was rented for the cruise up the Ohio.

Again the fiery ball has pushed its way into the earth and left only a small ray of light. Soon there will be stars in the sky as another day comes to an end.

As the sun has set on the horizon, so the school year of 1968-69 has come to a conclusion. To each who was involved, this record has contained many memories of joy, laughter, tears, and sorrow.

Although the year has ended, for many this is only the beginning. As the Sun will rise again, so shall our hopes and dreams have life again.
